Dear Friend:

I have been trying every way I know to locate you, so decided I had better write. You know of course The Eagles and Elites are scheduled to play July 13th in Baltimore, and The Eagles are in Washington the next Sunday the 20th. I had intended asking you at the meeting about spending the week with me down south. I had a wire from the man in Richmond this morning, and he said we can be in Richmond Monday the 14th. We can go on to Norfolk for the 15th and 16th, and play Newport News and Portsmouth the other two days, then come back to Baltimore for Friday or Saturday.

If you do not want to stay south I will come to Baltimore the day you want to play there. Please let me hear from you right away, as I will have to get the parks, and get the publicity out.

I am sending you a note by Bill White tonight, but I decided to write you also so you could have things planned by the time he arrives.

I received a letter from Gottlieb asking about changing some of the dates so the schedule will be better balanced. I think the schedule should be balanced, but I would be in favor of adding enough games to balance it. Of course this is just my opinion. I would like to know what your feeling is in the matter. Either write me or send me a message by Bill. I haven't answered his letter as yet.

Now please let me hear from you right away about these southern dates, so I can get the parks.

Very Truly Yours
